AMERICAN RELIEF EUND.

Meeting To-day Work of Annual

Past Year. The regular annual meeting of the American Relief Society was held in the Chamber of Commerce at 11 o'clock this morning, Hon. Chas. R. Bishop occupying the chair. The Treasurer's report showed that the society had paid out in the good cause \$1909 during the past twelve months, and was at present indebted in a small amount to the bank of Bishop & Co. There had been numerous calls for assistance during the year, and only for the following donations the society would have been unable to meet the calls: From Messrs. Hartwell and Waterhouse, executors of the estate of J. H. Wood, \$50; Volunteers P. G. guards, \$82; S. M. Damon and M. McInerny, executors estate Peter Dalton, \$200; Mechanic Benefit Union, Co. No. 2, \$60.

In addition to the foregoing the society was presented on March 16, 1893, by Hon. Chas. R. Bishop with \$1000 in Hawaiian Government 6 percent bonds.

The society now has under its care several deserving persons, and it is hoped that all Americans will contribute whatever they may be able to spare and aid the society in its good work.

The following officers were elected for the ensuing term: Hon. Chas. R. Bishop, president; W. F. Allen, vicepresident; T. F. Lansing, secretary and treasurer; J. Emmeluth and C B. Ripley, relief committee; Bruce Cartwright and W. C. Parke, soliciting subscriptions.

O. W. O. Hardman, Sheriff of Tyler Co., W. Va., appreciates a good thing and does not hesitate to say so. He was almost prostrated with a cold when he procured a bottle of Chamberlain's Cough Remedy. He says: "It gave me prompt relief. I find it to be an invaluable remedy for coughs and colds." For sale by all dealers. Benson, Smith & Co., Agents for the Hawaiian Islands.

First in Peace, First in War, First in the Hearts of His Country

George Washington, the father of his country, dawned clear and bright. The war vessels in port presented a gaia appearance, being decorated from stem to stern with bunting. Old Glory was flying from the mastheads, and the officers and men were decked in their best suits of clothes. Officers from the British and Japanese warships visited the U.S. ships Philadelphia and Adams. At noon a salute of twenty one guns was fired from the Philadelphia, Champion and Naniwa, and the shore battery. In the city flags are flying over

Ten days loss of time on account of sickness and a doctor bill to pay, is anything but pleasant for a man of a family to contemplate, whether he is a laborer, mechanic, merchant or publisher. Jas. O. Jones, pub lisher of the Leader, Mexia, Texas was sick in bed for ten days with the grip during its prevalence a year or two ago. Later in the season he had a second attack. He says: "In the latter case I used Chamberlain's Cough Remedy with considerable success, I think, only being in bed a little over two days. The second attack I am satisfied would have been equally as bad as the first but for the use of this remedy." It should be borne in mind that the grip is much the same as a very severe cold and requires precisely the same treatment. When you wish to cure a cold quickly and effectually give this remedy a trial. 25 and 50 cent bottles for sale by all dealers. Benson, Smith & Co., Agents for the Hawaiian Islands.
